

Dear Parents,

Hello! My name is Miss Goslee and I will be your child's teacher this school year. Just to tell you a little about me, this will be my sixth year working within a Special Education classroom. I have worked with both middle school and elementary school students. This will be my first year as a Special Education Teacher and I am very excited to begin this journey with your students.

Now that you know a little about me, I am excited about getting to know you and your child this year. I believe it takes a team effort between us, both at home and at school, to appropriately and accurately educate your child.

It is going to be an exciting and fun school year. I understand that this is new grounds for both you, your students, and myself, but I am confident that we can create a fun and enjoyable new experience for everyone involved. This is an important time for everyone to be on the same page and I am absolutely open to any concerns you may have regarding Distance Learning. Please, do not hesitate to call, leave a message in the office, or email me if you have any questions or concerns. The school office number is (760) 246-5892. I am in room #602. My email address is phylicia_goslee@aesd.net. I am always checking my email, especially now with the new Distance Learning platform.

Sincerely,

Phylicia Goslee

EXPECTATIONS:

1. Be Safe
2. Be Respectful
3. Be Responsible

CONSEQUENCES:

1. Verbal warning
2. Verbal warning, Loss of point(s)
3. Verbal warning, Loss of point(s), Loss of privilege
4. Verbal warning, Loss of point(s), Loss of privilege, Phone call home
5. Verbal warning, Loss of point(s), Loss of privilege, Phone call home, Parent conference, Office referral

REWARDS:

1. Praise
2. Edibles
3. Activities/Parties/Fun Friday
4. Homework Pass
5. Possible regaining of points.

Within our classroom, I value the time we have in learning curriculum. Therefore, there is a behavioral point system which visually assists my students in making appropriate choices in order to gain life skills and responsibility. It is utmost important that your student is able to focus on learning with minimal interruptions.

It is my goal to create a positive behavior plan to help all students achieve rewards throughout the week through use of good behavior. Throughout the week, if your child wishes, he/she will be able to earn back points. This could be done by being safe, respectful, or responsible. By the end of the week, if your child advances and reaches a certain amount of points by Friday, he/she will have the chance of earning a free super-duper homework pass, Fun Friday activity, or free computer time. This is a fun way of being rewarded for working hard towards behaving appropriately during class. If you have any questions, please feel free to contact me.
