

8/10/2020

Welcome to the 20/21 school year. My name is Jenny Beck. I will be your child's 2nd grade teacher this year. I am excited to have your student in my class. While this year is set to look and be different, I am dedicated to making sure that your student gains the skills they need to be successful.

This is my 19th year teaching. I have been married 17 years to Mr. Beck and have two amazing daughters in junior high and high school.

While this year is going to be different, it will be extremely important that we keep in contact with one another as things change during the year. Please know that I am here to support you and your student. Let me know what you need to help and support you all.

My website will be where you will find most of the information for you and your students. You can reach our class website at www.mrsjbeck.com. Here you will find our virtual classroom. There are links throughout that will take you and your student to a variety of different pages. Within the website, students will find a variety of activities, games, books to read, and more. Please feel free to explore. Students will need to go to the website to get information about their assignments and homework. Additionally, here you will find the virtual expectations as well as classroom expectations for when we hopefully return to school.

As we all know, this is going to be a different year. Please bear with us as we navigate this uncharted territory.

Please contact me if you or your student needs anything. I can be reached on Classdojo.com at Mrs. Beck or Jenny_beck@aesd.net.

Again, it is a pleasure to have your child in my class.

Sincerely,

Jenny Beck
