

Dear Parents,

Hello! My name is Ms. Goslee and I will be your child's teacher this school year. Just so you know a little about me, this will be my eighth year here at West Creek Elementary teaching 2nd through 5th grade SDC. I have been teaching these upper grade levels for nine years now. Previously, before becoming a teacher, I worked within the engineering field doing civil, architectural, and mechanical design. I am currently hold my Masters Degree in Special Education and am a fully credentialed teacher for the State of California teaching within a Mild/Moderate setting with ESL and Autism authorizations.

Now that you know a little about me, I am excited about getting to know you and your child this year. I believe it takes a team effort between us, both at home and at school, to appropriately and accurately educate your child. Please remember, even though we are in class remotely through distant learning, the State of California expects for your student to be in attendance daily. Therefore, please have your student check in through our classroom at [MsGoslee.com](https://www.MsGoslee.com); from there, go to Ms. Goslee's Office (Slide 3) and have your child answer the daily question through the linked calendar. As well, please have your student become familiar with the expectations for our virtual reality classroom for expectations will be in place.

It is going to be an exciting and fun school year. Please do not hesitate to call, leave a message in the office, or email me if you have any questions and/or concerns. As well, we have a class application you can install on your cell phone to keep up with current events and links to important sites, such as our classroom and the district; please visit tinyurl.com/MsGClassApp. For your convenience, the school office number is (760) 951-3628. I am in room #701. My email address is delvina_goslee@aesd.net.

Sincerely,

Delvina Goslee M. Ed SPED
