

August 2020

Dear Students and Parents,

Welcome to Ms. Davis' Classroom here at West Creek Elementary room 401. We are super excited to that our 2020- 2021 school year has begun, and we are back in session. We realize that this school year will be a bit different from the previous school year. However, we expect it to be an exciting and fun year. Our team appreciates each and everyone of you and is working hard to keep our classroom running smooth. It is going to take a great effort from our families at home and our team of professionals to keep the students actively engaging and learning. Together we can make this happen. With distance learning on our hands the collaboration from our entire team is greatly appreciated. We are here with smiling faces to support you and your student(s). The classroom website is available to all of our students at <https://learning-pirates.com/ms-anna-davis-virtual-classroom/>. Or, as a shortcut, <http://msadavis.com/>. There are a variety of activities for the students to explore. Please feel free to watch the learning videos, listen to a book, color, listen to educational songs together, or work in their student journals found on slide seven of the classroom. The alphabet/ letter sound video is one that they are familiar with and very beneficial to them. Our families are "rock stars" and we look forward to working with all of you. Please do not hesitate to call or email me if you have any questions or concerns. We are here to help you and your students have the best school year possible.

Sincerely,

Ms. Anna Lisa Davis
